

ANDON PETKOV - 100 MT

Andon Petkov (1914-1944)

To mark the 100th anniversary of birth of my father, *Andon Petkov*, and the 70th anniversary of his tragic death, I announce

**An international tournament for composing
of HS# (HS=, HS= =) problems**

on the theme:

HS# with a use of fairy elements – fairy pieces,
or(and) fairy conditions – in two sections:

- a) Problems up to 3 moves;
- b) Problems in more than 3 moves.

All originals should be computer tested with any of the following programs (mentioning the program used): Popeye, WinChloe, Alybadix.

Please send your originals by e-mail till October 1st, 2014, to the following address:
Petko Petkov, ppetkov2702@gmail.com

The award will be published by the end of 2014.
